Handlebar, Fu Manchu, mutton chops dyed, drawn, dreds — anything went at the Gulu-Gulu Cafe's Marchstache 2011 competition.

Mustache enthusiasts of all ages gathered to show off the finest in facial hair and facial hair imitations Thursday night.

Participants competed in three categories — "Most Creative Mustache," "Best Fake Mustache" and "Best Real Mustache."

One audience favorite was three-month old Maeve, who made her mustache debut with her pacifer in and game face on.

Be sure to check out our video of the event for a snapshot of the evening's festivities and conversations with those dedicated to "the way of the 'stache."
