Where is the Budweiser? What's up with the weird beers?
We do our best to be a little different here at the Gulu, and that means offering you some of the best of what is out there. That's a little different than what you could find everywhere else. Keep an open mind and try something new. You just might love it.

I play guitar. How do I get a gig at the café?
Send us a link to your MySpace page or your personal website. We will get back to you a line.

What are your politics?
Coffee and love, politics, good food, beer, and wine. We believe in equality, fairness and happiness for everybody.

How do I get on the newsletter mailing list?
You can sign up at the door of the café or online at www.gulu-gulu.com/contact.asp.

Where is the TV? Why don't you play the Red Sox games?
Here at the Gulu, we love the Red Sox. In fact, there is usually a fight when the Sox are playing a good game as to who will have the night off to watch it. But our café is for music and art and relaxation and not TV's. We do show movies on the wall and are happy to check game scores online for you.
