

# GULU FAQ (FREQUENTLY ASKED QUESTIONS)

## How do you pronounce the café's name? "Gula-Gula?"

We realize that it is part of the North Shore's culture to put an "A" at the end of everything. However we are NOT Gula-Gula. Gulu-Gulu Café: Goo (as in goulash or goo-goo ga-ga). Loo (as in Cindy Loo, or the man's name Lou). Gulu!

## What does Gulu-Gulu mean?

Gulu-Gulu means "glug-glug" (the sound you make while drinking) in French. It was the name of a café in Prague where Steve and Marie (the owners) met and fell in love.

## How come you run out of my favorite food items from time to time?

We believe in delivering you the freshest possible products. That means that occasionally we run out of popular menu items, even though we try our hardest not to.

## What's up with the dogs?

Many cafés around Europe have a mascot and since we are styled after European cafés we felt we needed one too. Jack is a Boston Terrier and is the honorary Gulu-Gulu Café mascot. It's hard not to notice Jack's sputnik sized cranium on the window overlooking Lapin Park. Our newest doggie Charlie is a pug puppy and currently is in mascot training.

## Do you do catering?

We have in the past. Just ask for our catering menu.

## Where is the Budweiser? What's up with the weird beers?

We do our best to be a little different here at the Gulu, and that means offering you some of the best of what is out there, that's a little different than what you could find everywhere else. Keep an open mind and try something new. You just might love it.

## I play guitar. How do I get a gig at the café?

Send us a link to your MySpace page or your personal website. If we like it we'll drop you a line.

## What are your politics?

Coffee, art, love, puppies, good food, beer, and wine. We believe in equality, fairness and happiness for everybody.

## How do I get on the newsletter mailing list?

You can sign up at the door of the café or online at [www.gulu-gulu.com/contact.asp](http://www.gulu-gulu.com/contact.asp).

## Where is the TV? Why don't you play the Red Sox games?

Here at the Gulu, we love the Red Sox. In fact, there is usually a fight when the Sox are playing a good game as to who will have the night off to watch it. But our café is for music, and art, and relaxation, and not TV's. We do show movies on the wall, and are happy to check game scores online for you.
